TERMS & CONDITIONS

Bookings

Allocation of places on courses will be on a first-come first-served basis. Booking forms should be received by 22nd April, 2016 together with full payment. Confirmation of places, together with timetable and location of classes will be sent two - three weeks after the closing date. If your course is full by the time your booking is received, you will be notified, and you may decide to have your payment returned or to go on a waiting list.

Cancellations

There will strictly be no refunds made for all registrations. If the participant cannot attend the course due to Medical Reasons, a Medical Certificate must be obtained and CSTD will give a credit equivalent to the amount paid to be used in 2017 Summer School.

No refunds will be entertained for M.C. after the 2nd day of commencement.

Class Level

If after the first day of class it is obvious to the teacher that a student may be better served by joining a different level, every effort will be made to facilitate this. C.S.T.D. reserves the right to exclude any student from the course who in their opinion is having an effect on the class which is not conducive to the learning environment. No refund will be given for the remainder of the course in this case.

Class Observation

Teachers who have 10 or more students registered on the course will be offered free observation of classes. Other teachers may observe classes for a fee of RM100 (unlimited all levels). In both cases a pass will be issued for this purpose which should be shown when attending classes.

Certificate of Participation

All students will receive a Certificate of Participation in the Summer School, but no reports will be issued or questions entertained on a student's performance.

Injury Liability

Neither the C.S.T.D. nor the school or establishment in which the classes are being held will be liable for any injury sustained due to an unknown medical condition, accidental reasons or improper execution of instructions on the part of a student. However every care will be taken to ensure the well-being of students.
